Warren  
It has been very  
nice having you in  
algebra with me this  
year. Maybe next year  
you will be luckier  
and have me in one  
of your classes. Stay  
as sweet and cute as  
you are now and you  
will go places.  
Love ya,

Warren,  
I don't have any  
of my classes,  
but I do think  
that you are a  
very sweet first  
year as well as  
you are at the  
present and that  
is no doubt that  
you will succeed  
in life.

## Dedication

To give of yourself is the essence of happiness, and to the man that has made this the motto of his life, the *Bruin* for 1962-1963 is dedicated.

To the man that for thirteen years has made New Bern High School his school and the students of New Bern High School his friends . . .

To the man that has freely and willingly given of his time and energy to make NBHS a better school and to train the minds and bodies of its students . . .

To the man that has given each of us a part of himself through his kindness, understanding, and friendship, we express our humble thanks and sincere appreciation by dedicating this yearbook to this man, Coach Will Pittman.

Coach Pittman has numerous activities and interests. He teaches boys' health and physical education. As athletic director Coach Pittman is responsible for all athletic functions of the school. He checks all equipment and plans for visiting teams. He is in charge of the concessions stands and ticket office. He is responsible for all expenditures.

He is coach of the track team and assistant varsity football coach. Coach Pittman is also sponsor of the Monogram Club. In all these activities his influence of integrity, fairness, and friendliness is felt and transmitted throughout the entire student body.

## Our administration

Mr. Harry J. MacDonald has seen many students graduate from NBHS during his years of service, both as principal of NBHS and superintendent of city schools. To each graduate he is a special friend—a friend that guides and helps for four years.

Mr. MacDonald majored in zoology and education. He received his Bachelor of Arts and also his Master of Arts from Duke. He became superintendent of New Bern city schools in 1947 and has devoted himself to the betterment of our school system.

The members of the Board of Education are, *front row*—Mr. James Simpkins, Dr. William Bell, Mrs. Raymond Pollock, Mrs. Joe Johnson, Mr. O. T. Faison; *back row*—Mr. H. J. MacDonald, Mrs. Ed Hancock, Mr. Walter Jones, Mr. Harry Wright.

They work to better the schools of New Bern and through their work, New Bern High School has made many improvements and has taken a step forward to meet the demands of the present and future.

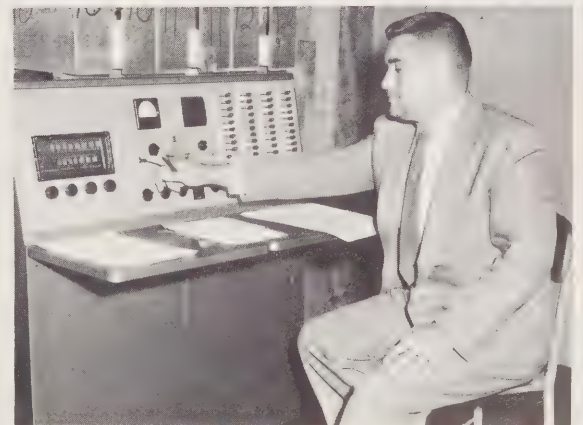

*Mr. Flowers (Butler),  
I have enjoyed  
knowing you this  
year. May we see  
you all each  
other this summer.

guides us on our way to GRADUATION.

In his first year as principal of NBHS, Mr. W. L. Flowers has become known for his hard work, rigid standards, and efficiency.

He graduated from the University of North Carolina with a Bachelor of Arts in chemistry and biological sciences and a Master of Arts degree in Educational Administration and Supervision. He served in the Navy in World War II and has served as a principal in the New Bern city schools for twelve years. We at NBHS extend a warm welcome and best wishes for the future to Mr. Flowers.

Mrs. Mavis Lee, *secretary*, and Mrs. Jewel Watson, *bookkeeper*.

Mrs. Ida McKinnon, *guidance counselor*, discusses college plans with Carolyn Rivenbark.

The library assistants are, *left row*, G. Boyette, C. Lassiter, R. Smyer, K. Hudson, F. Petteway, B. Dunn *Right row*, G. Jones, L. Jones, G. Evans, J. Selover, G. Stewart, B. Fisher, A. Brant.

## They help run our school

Our office assistants distribute bulletins and pick up daily records to help keep our busy high school functioning properly. They are C. Miller, C. Ross, M. DeBruhl, P. Waters, J. Hooper, V. Gaskins, S. Beauchamp, C. Rivenbark, E. Barnard, M. Willis, A. Moore, D. Sawyer, B. Martin, and B. Murphy.

NBHS has able and efficient bus drivers, C. Burroughs, D. Williams, V. Gaskins, G. Robinson, D. Finch, E. Weigl, B. Moore, B. Caton, E. Vandiford, M. Stringer, B. Lang, J. Linson, K. Brown, W. Hansen, F. Hughes, R. Aversa, K. Smith, R. Truitt, G. Eborn, C. Dixon, E. Dixon, B. Weiss, D. Opphile, J. Sutton, C. Whitford.

It takes many hands to keep 1,200 active students straight. The efficiency of our office is renowned, and the good looking assistants (including Billy) are the pride of our school.

For students one of the important places on campus is our Guidance Department. Here we begin our futures with expert advice from our counselor.

The library is a place of model order, and our library assistants help keep it that way.

Our bus drivers are very important at NBHS. They transport hundreds of students everyday through all kinds of weather.

Mrs. Roy Tucker, dietician and supervisor

Our cafeteria staff provides hot, nourishing lunches for the student body.

With 1,200 students to clean up after, the maintenance department of NBHS has a big job that is always done exceptionally well.

Lunchroom assistants are, *front row*, H. Thornton, L. Carter, B. Smith, W. Toler, D. Haner *Back row*, A. Jones, J. Dunn, D. Purifoy, A. Grant.

To finish a hard task,  
To fulfill a purpose,  
To turn the last page of a book  
that has taken four long years to read,  
To look around and see the buildings,  
rooms, and hallways that are a  
part of life at NBHS and that soon will  
be left behind,  
To hear the laughter and chatter of  
friends whose paths may lead in  
different directions perhaps never to  
meet again,  
To look back on all the things that  
have made NBHS the nucleus of our  
lives for four years — the hub that every  
event has turned around,  
To feel the dignity of a cap and  
gown and the nervousness of that  
last solemn march together,  
To close with a handshake and a  
diploma a part of our lives that can  
be reopened only in memory,  
To turn away from the old well-known  
way of life and to face the  
new and demanding one,  
To say farewell to all the things we  
have known and loved at NBHS and  
to greet the new task with hope  
and expectation—this is

GRADUATION.

Many events occur on

Sandy Kelso and Kathy Turner read up on assignments in the reference books in the library while Nancy Stilley searches for an obscure fact.

Watch out Judy! The mob's coming.

Yesterday we were scared Freshmen; today we have risen to the exalted position of Seniors—the graduating class. This is the graduation for which we have waited so patiently. Yet through the four years of learning, we have had many graduations.

When we assume new responsibilities, we graduate. When we realize that learning is as exciting as a close football game, we reach a new level. We graduate when we try to understand our fellow human beings and when we try to help. A very important graduation comes when we begin to understand ourselves and begin to search for a meaning for our lives.

All of these prepare us for our final graduation, and if these things are not molded into our beings then, we will never graduate. For a cap and gown and a diploma do not mean graduation. Graduation comes in our hearts and minds. Graduation is growing up.

## Conference

On September 16-19 the two official delegates, Gail Brock and Peggy Pate, with other members of the Senior class attend the National Conference on Citizenship held in Washington, D. C. The purpose of the conference is to promote better citizenship and the realization of the value of American life. The New Bern delegation provides the official hostesses for the entire conference, and all the girls dress in colonial costumes. The delegates learn their importance as citizens of America and citizens of the world.

outstanding display of beauty.

LOUISE KENT

STEVIE BENNETT

The annual event of Homecoming creates much excitement on the NBHS campus. The only beauty contest of the year brings hope, tension, happiness, and a large amount of school spirit. The twelve candidates are chosen from the senior class and in a secret election are voted on by the entire student body.

During the half-time festivities of the Homecoming game, in a silent stadium that only a moment before was alive with sound, the winner is announced. Then the entire stadium is filled with a tremendous yell, and the traditional tear is shed by the queen. The excitement of Homecoming lasts only a few weeks, but the memory of Homecoming lasts forever.

Beauty, character,  
and personality  
make a queen,

Sharon Smith is truly one of New Bern High School's most radiant queens.

Our beautiful queen, Miss Sharon Smith, was born in Los Angeles, California, and moved to New Bern when she was nine. At NBHS Sharon is a cheerleader and has held various club offices. Although she can't swim, her favorite place is the beach. Oh! those lucky life guards! Her ambition is to become a nurse and go to a big hospital, preferably Blair General! The entire school wishes Sharon the best of everything in life.

Sharon is literally mobbed by well wishes and hugs.

The F.H.A. takes first place again with the famous Flintstones. "Aba Daba Doo!"

The Jr. Science Club gives a thrilling exhibition of the "Unbearables After the Phantom Gang."

The Boys' Hi-Y certainly earns its third prize.

"Don't let it be forgot  
That once there was a spot  
For one brief shining moment  
That was known as Camelot"

The realm of Camelot  
provides a beautiful background

The main entertainment of the night is the thrilling joust between the Blue Knight and the White Knight.

The pageantry and color of King Arthur, his court, and his kingdom Camelot are revived in an unforgettable way in the 1962 Jr. Sr.

The banquet is a delight of legendary dishes served by scullery maids and squires. The highlight is, of course, the farewell songs of the Juniors and Seniors, and quite a few tears are shed by the fair damsels of the court.

The dance is officially opened by Mr. and Mrs. J. W. Allen. King Arthur's great castle, his magnificent throne room, and the famous round table are a part of the lavish decorations. This night is a night of memories and a last glorious farewell for the Seniors.

The banquet is the beginning of a truly gala affair.

Clyde Belangia, president of the Junior Class, is saying farewell to the Seniors.

Mr. and Mrs. Allen cut the ribbon that reopened King Arthur's court for a single night.

Memories are the  
reward for  
hard work.

A fairer castle never graced the glorious realm of Camelot.

This surely doesn't look very splendid.

Some "industrious" Junior boys are in the process of constructing the main columns of the throne chamber.

Mr. Flowers and Mr. Woodruff are trying to calm some of the disturbed Senior boys at College Day.

Just about half of the Senior girls are going to hospitals to work.

To guide,  
help, and inform  
are their purposes.

Notice the mixed emotions on the faces of both the Freshmen and Seniors on Orientation Day.

Ginger Hughey is explaining the tradition of our foyer emblem to the rising Freshmen.

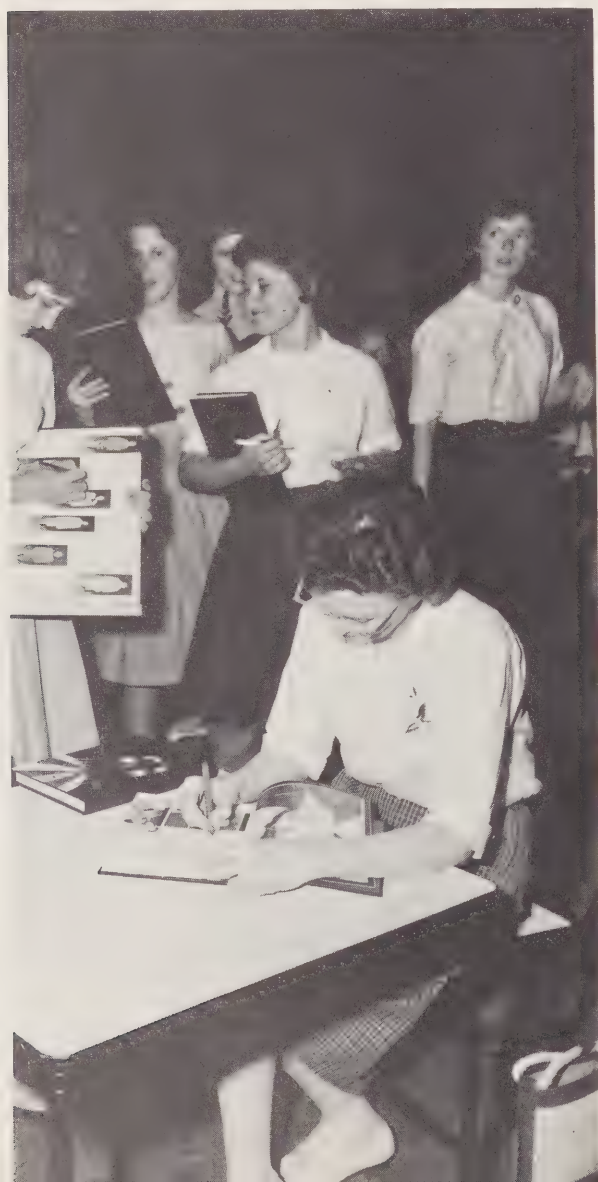

The '62 marshals are Janet Olds, Gail Brock, Louise Whitty, Dot Sawyer, Florence Pollock, Sharon Hughes, Jean Gosnell, Candace Burroughs, and chief marshal, Jake Griffin.

Gov. Sanford picked our school to send a delegate to the Constitution Convention in Philadelphia. Breece Daniels was chosen our Yankee Doodle Dandy.

Mrs. Hunnings is kept busy signing the annuals that were dedicated to her.

Murilla Oates, editor-in-chief of the 1962 *Bruin*, spent many hours working on the yearbook. Murilla and Mrs. Hunnings review the *Bruin* and enjoy reading the dedication.

Celia is very active at NBHS. Here she is seen practicing with the A Capella Choir.

Celia looks right at home on the patio.

## Our first exchange student

After much planning and work by the American Field Service, Miss Celia Howard-Webb arrived in New Bern. She was introduced to the American way of life in the form of hotdogs, hamburgers, and popcorn. In the musical line she likes Johnny Mathis and Frank Sinatra. Celia enjoys football, but not so much as cricket. She hopes to become a nurse. She wears the latest fashions such as weejuns, madras, and wrap-around skirts, and, believe it or not, she knew how to "twist" before she came to America!

Our exchange student is often seen mingling with some NBHS seniors.

## Student

Jimmy Meredith, *president of the Student Council*, speaks to an assembly of New Bern High School.

A student body of twelve hundred requires a special organization to represent it and discuss its opinions and ideas. Such is the purpose of the Student Council of NBHS. The representatives do not rule the student body but consider its desires and needs and act for the good of all concerned. The Student Council has many projects, such as helping with Freshmen Orientation Day, providing assembly programs, sponsoring Homecoming, and planning for other service projects. The Student Council is a respected part of the school government and strives to the best of its ability to act with fairness and in the best interests of the school and students that it represents.

Student Council members listen attentively to the orders of the day.

P. T. S. A.

The P.T.S.A. is designed to include parents, students, and faculty into one organization that works for the improvement of the things that concern all. It is primarily interested in improving our educational system and establishing better relationships between the parents, faculty, and students. The organization actively participates in projects that will produce legislation that will assure better education. The P.T.S.A. does a tremendous job and is essential in our school system. Much of this work is done quietly by the executive committee, who are as follows:

<i>Membership</i> .....	Mr. and Mrs. Andrew Ferens
<i>Finance</i> .....	Mr. and Mrs. Karl Kendricks

Jimmy Meredith, *president of the National Honor Society*, places the NHS key around the neck of Martha Jenkins.

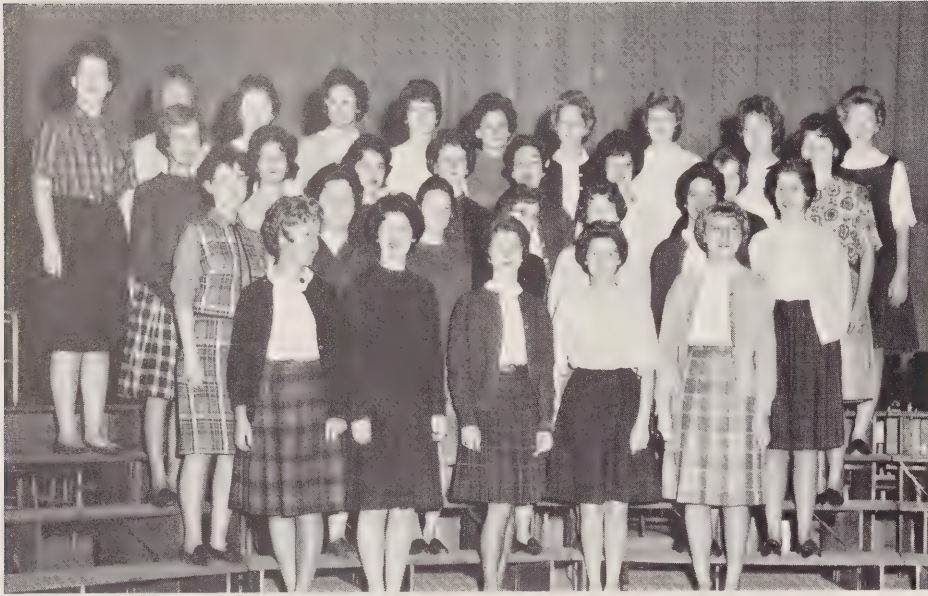

Very few events in the course of a school year cause as much excitement and hope as do National Honor Society inductions. A member of the National Honor Society must, in the opinion of the faculty, possess the four cardinal principles of the society: character, scholarship, leadership, and service. It is easy to understand why membership in this club is the highest honor that can be bestowed upon a student of a secondary school. As a service organization, the National Honor Society sponsors College Day, helps with Freshmen Orientation Day, sponsors a Barbecue supper to raise funds for an annual scholarship, and this year it had the distinct honor of installing the first members of the new chapter at Sanford, N. C. Considering these and other worthwhile projects and the incentive which is given students, the National Honor Society is an important part of the school system.

The Senior Girls' Hi-Y regularly attends church services as a group. To symbolize this religious affiliation, the members form a cross.

# Junior Girls' Tri-Hi-Y

The emblem of the Tri-Hi-Y is a triangle symbolizing a well-balanced life of physical, mental, and spiritual development, a circle symbolizing the completeness of Christian life, and a torch representing the light of truth and the quest for truth. The purpose of the Tri-Hi-Y is to create, maintain, and extend throughout the home, school, and community high standards of Christian character.

The Senior Girls' Hi-Y attends church regularly as a group and sponsors a family at Thanksgiving and Christmas.

The Junior Girls' Tri-Hi-Y sponsors a Valentine party for underprivileged children and helps in the crippled children's drive and the polio drive.

Both clubs represent fellowship and friendship and the desire to be of service in the home, school, and community.

Officers of the Junior Girls' Tri-Hi-Y are, *bottom*, Barbara Bailey, *president*; *top*, Kathy Turner, *treasurer*; and Frances Forstadt, *vice-president*. Not pictured is Gay Whitehurst, *secretary*.

Seen at the Christ Episcopal Church, the members of the Boys' Hi-Y Club are B. Bunting, S. Bunting, M. Cogdell, T. Cushman, G. Dixon, J. Dunn, H. Faulkner, T. Faulkner, J. Griffin, C. Harrison, R. Horner, C. Howard, B. Murphy, K. Peterson, B. Ramsey, J. Shuffler, B. Smith, C. Stovall, T. Taylor, and C. Turner. Mr. Smith is the club's sponsor.

The Boys' Hi-Y fulfills its purpose of creating, maintaining, and extending high standards of Christian character in many ways. The club attends various churches regularly and sponsors a school fund for needy students. A boat cruise and hayride are held annually to provide friendship and fellowship.

# Debating Teams

This year twenty students are participating in debating. Debating helps to develop skill in public speaking and helps to build a knowledge of different subjects that are of great national importance. By participating in debating, a student gains practice in research techniques, in logical reasoning, and in quick thinking that is necessary to refute an opponent's arguments and to defend his own. Although debating requires much hard work, it also offers many benefits.

Sharon Hughes presents her argument for the affirmative.

Florence Pollock and Tom Cushman discuss points of reference in his finished speech.

Marilyn French, Ruth Cox, Frank Milby, Sandy Bousman, and Grace Stevenson compare research material for a practice debate.

# Latin Club

Members of the Latin Club are J. Abbott, B. Anderson, B. Armstrong, A. Aycock, B. Baldree, P. Bland, S. Bousman, N. Bradbury, S. Braddy, R. Broughton, B. Bunting, R. Burgess, D. Carawan, J. Carpenter, L. Cayton, B. Clark, E. Collins, E. Connaughton, S. Courville, L. Cox, R. Cox, V. Ellis, K. Ferens, M. French, D. Gentry, S. Gill, M. Gooden, J. Grady, B. Harris, C. Harrison, E. Hecht, J. On the left, the officers of Mrs. Rhodes' Latin Club are Mary Helen Williams, *secretary*; Patricia Pollock, *vice-president*; Frank Stevens, *treasurer*; and Ellen Connaughton, *president*. On the right, the officers of Mrs. Smith's Latin Club are Jennie King, *vice-president*; Cecil Harrison, *president*; Darlene Gentry, *secretary*; and Diane Stanton, *treasurer*.

The revival of interest in ancient languages has brought two second-year Latin Clubs to NBHS. With a combined enrollment of 74, they strive to promote the study of ancient Greek and Roman civilizations and to increase the knowledge of our heritage from Greece and Rome. The purpose is carried out in the monthly programs and by affiliation with the National Junior Classical Leagues.

Members of the Latin Club make appropriate projects, here being shown at a P.T.S.A. open house.

# French Club

Members of the French Club are M. Armstrong, R. Benton, C. Blanford, M. Bray, G. Brock, R. Brooks, D. Burnette, J. Campbell, J. Cates, M. Cogdell, J. Edwards, T. Ferebee, M. Ferens, A. Gible, J. Griffin, B. Gwaltney, A. Hammond, P. Heuser, D. Hicks, J. Hollister, M. Holt, R. Horner, K. Hughes, S. Hughes, I. Ipock, M. Jenkins, B. Jernigan, D. Johnson, S. Keeter, S. King, T. Lamar, E. The French Club is fortunate to have for its sponsor Mrs. Thelma Titus who lived in France for three years. Aside from the wonderful slides she presents, Mrs. Titus gives first hand information about life in France and other parts of Europe. The purpose of the club, to learn more about France and its people, is fulfilled in the monthly meetings.

At a club meeting, Mrs. Titus, *French Club* sponsor, shows the members interesting slides that she took in Europe.

Here making an interesting discovery, the officers of the French Club are Florence Pollock, *vice-president*; Judy Campbell, *secretary*; Jake Griffin, *president*; and Ina Faye Ipock, *treasurer*.

# Spanish Club

Noni White, Bill Rivenbark, Carol Gentry, Mary Catherine Armstrong and Dandee Bryan engage in a game of "Concentration" to sharpen their Spanish skills.

In a festive mood, Hatsy Divoky is prepared to break the gift-filled pinatu.

*Adelante, siempre adelante*  
(Forward, always forward) is the motto of the Spanish Club. By informative programs at the regular meetings, the club strives to further the knowledge of Spain, its people, and its culture.

Twenty-five years ago, as a part of the Horace Mann Centennial Celebration, the Future Teachers of America was organized. Through informative programs and various projects the F.T.A. of NBHS helps to prepare students for their responsibility in their chosen profession. To seek out and encourage capable candidates for teaching opportunities is another important function of the F.T.A. To carry on the programs and projects, the members annually sell stationery. A part of the proceeds of this sale is given in the form of a scholarship to some deserving senior. The worthwhile work of the F.T.A. has made it an important part of our educational system.

Frances Forstadt, Alicia Bryan, Diane Stanton, and Rosemary Rhodes, F.T.A. members, discuss stationery sales for the year.

## FTA

F.T.A. members, Sue Marsh and Kathy Edwards, take the attendance count for a PTSA meeting.

The F.T.A. Club celebrates its 25th Anniversary with a special luncheon in the cafeteria.

Although not often found idle, the members of the Future Homemakers of America pose here for a photograph.

The F.H.A. Club of NBHS has been ranked as one of the four most outstanding clubs in North Carolina. Its purpose is to promote a growing appreciation of the joys and the satisfaction of homemaking and to work for good home and family life for all.

The programs planned by the executive committee consist of speeches, demonstrations, panel discussions, fashion shows, and other activities designed to fulfill the purpose.

The F.H.A. carries on many activities through the year. It helps needy families at Thanksgiving and Christmas. It sponsors a semi-formal Christmas dance and annually delights the student body with a fashion show. The F.H.A. is the largest high school club in the United States and has one of the most outstanding programs for teen-age girls.

The F.H.A. homecoming float won first place in the competition.

## FHA

Club are, *first row*: Priscilla Jenkins, *song leader*; Kathy Ipock, *entertainment chairman*; Phyllis Coates, *treasurer*; Jane Cox, *president*; Dean Huffstetler, *parliamentarian*. *Second row*: Nancy Daniels, *reporter*; Penny Rice, *co-program chairman*; Patsy Ward, *vice president*; Patricia Morris, *secretary*; and Martha Peterson, *historian*.

Bruinettes execute a diamond-shaped formation.

## Drill Team

The Drill Team consists of twenty-seven girls who when performing seem to function as one. They perform outstanding routines of precision drill at football and basketball games and parades. Membership requires an eighty or above average, and its high standards make the Drill Team an outstanding organization.

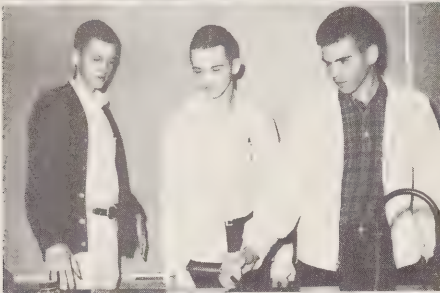

Officers of the Drill Team are, *Seated*, Corine Whitley, co-captain; Alice Burgess, treasurer; *Standing*, Cherrie Hardison, captain; Phyllis Bennett, secretary.

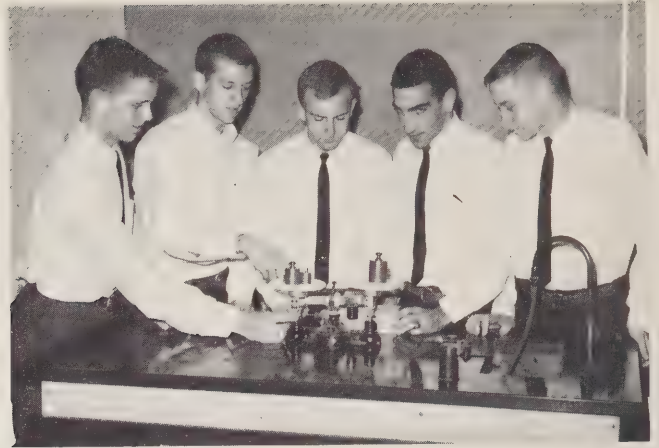

Drill Team members participate in the annual Shriners' Parade.

Robert King, Ed Kwasnick, and Ray Munns produce zinc sulfide in three easy steps: Mix. Light. Whoosh!

Officers of the Senior Science Club are Charles Dickinson, *reporter*; David Lewis, *treasurer*; Ronnie O'Connor, *president*; Jay Salem, *vice-president*; and Happy Smith, *sergeant-at-arms*.

To fulfill its purpose of promoting a greater interest in science and broadening the knowledge of science, the Senior Science Club presents a speaker or a demonstration at each meeting. As its project the club helps sponsor the local Science Fair held in the spring.

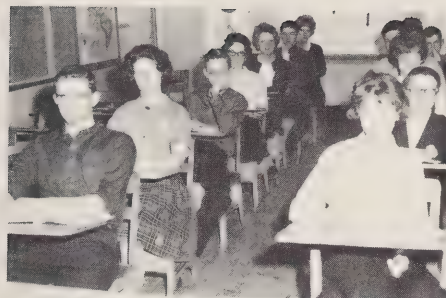

## Senior Science Club

Members of the Senior Science Club are S. Barwick, S. Bennett, C. Blaylock, S. Blaylock, H. Bland, M. Brame, J. Bryan, A. Burnham, B. Chagaris, G. Connaughton, C. Dickinson, E. Dunn, M. Godwin, W. ## Monogram Club

Monogram Club members form a lively cheering section at basketball games.

The Monogram Club is primarily concerned with sports, and each member must have earned a letter in a sport. The club carries on projects to serve the various teams of NBHS, such as helping the out-of-town teams, checking the stands at games, and organizing a pep club to increase school spirit. With these and other projects the Monogram Club does a great service for our school.

Monogram Club members G. Dixon, B. Aster, C. Stovall, S. Thomas, J. Dunn, and S. Patterson bring sandwiches and milk to the basketball players after a game.

# Nurses' Club

The Nurses' Club prepares Christmas baskets for distribution to needy families.

Carolyn Clark, Betty Biggers, Candace Burroughs, Judy Darnell, and Irene Dunn seek reference material to help them plan their careers.

Nursing as a career is becoming increasingly diversified and holds appeal for individuals of varying abilities and interests. The purpose of the Nurses' Club is to stimulate interest in the varied fields of nursing. The club visits the County Home at Christmas to take gifts and fruit baskets. A Red Cross course is also offered to the members of the club. During the regular meetings outstanding speakers, such as the Superintendent of Nurses at Craven County Hospital and the head nurse of the County Health Department, give informative and interesting talks.

Members of the Nurses Club are, *Freshmen*: G. Armstrong, P. Armstrong, L. Bayliss, J. Bennett, J. Blythe, S. Brinson, D. Daniels, S. DeCamp, D. Edwards, M. Hardison, F. Jones, J. Littleton, S. The *Bear Cub* is a vital means of communication among the students. It provides enjoyment and much needed information for the student body of NBHS. The paper is strictly a student publication. It is a means of expressing opinions, remembering important events, recognizing outstanding students, and putting talent to work. The paper requires a tremendous amount of time and effort, but the results are always worth it.

Gail Brock is the capable editor of the *Bear Cub*.

## Bruin Staff

It is hard to realize by just looking through a yearbook the amount of planning, work, and worry that goes into each page.

A page begins as a maze of green, red, and blue lines. First a picture is added—a picture that took hours of work to produce—and then a caption for the picture. A headline comes next and then another picture. A block of body copy appears, and a final picture is added. Each of these requires a large amount of work, but together they represent an extraordinary accomplishment.

The real job begins in the summer, but the thinking and planning began the year before. Each aspect of school life must be covered by a yearbook, and it must contain a special memory for each student. It is easy to understand that the last touch is added to the last page with a sigh of relief and an elevated feeling of accomplishment.

The New Bern High School Bears ended the season with a record of seven losses and three victories. To many this one sentence would express the entire season, but there are many things—some of an intangible nature—that make up a football season. To too many fans winning means simply getting the highest score, and the true purpose of sports is lost entirely by these fans. If a team plays hard and fairly, if it does the best it can and learns from its mistakes, if every player has his heart in the game and feels like a part of the team whether he sits on the bench or not, then and only then will it be a “winning” team. When judged by these standards, the varsity football team of NBHS has won many times when the score was against it.

The Varsity Cheerleaders of '62-'63 are Patsy Ward, Carol Gentry, Linda Ragan, Jane Cox, Sallie King, Jenny Hollister, Jay Salem, Peggy Pate, Connie Toler, Eleanor Dixon, Teresa Lamar, Kay Vereen, and Kathy Turner. Those not pictured are Carol Ragan and Sharon Smith.

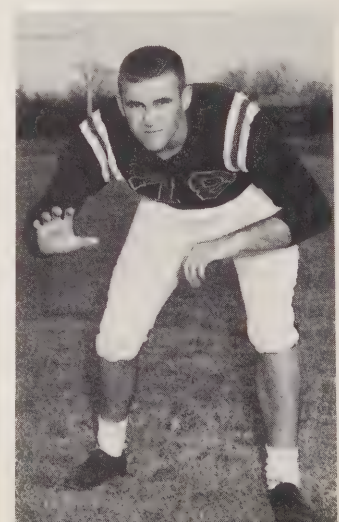

On September 7 the Bears lost their first game to Morehead City by a score of 24-7. The Bears were not prepared for the Eagle quarterback David O'Neal who completed 16 out of his 29 passes. In the first quarter William Reel made the only touchdown, and Roland Verrone kicked the extra point.

On September 14 the Bears played their first conference game against Washington's Pam Pack. The score was tied 7-7 at the half, but the Pam Pack scored again in the third quarter and won the game 13-7. Our touchdown was made by Ashley Smith with the help of William Reel and Charles Tingle.

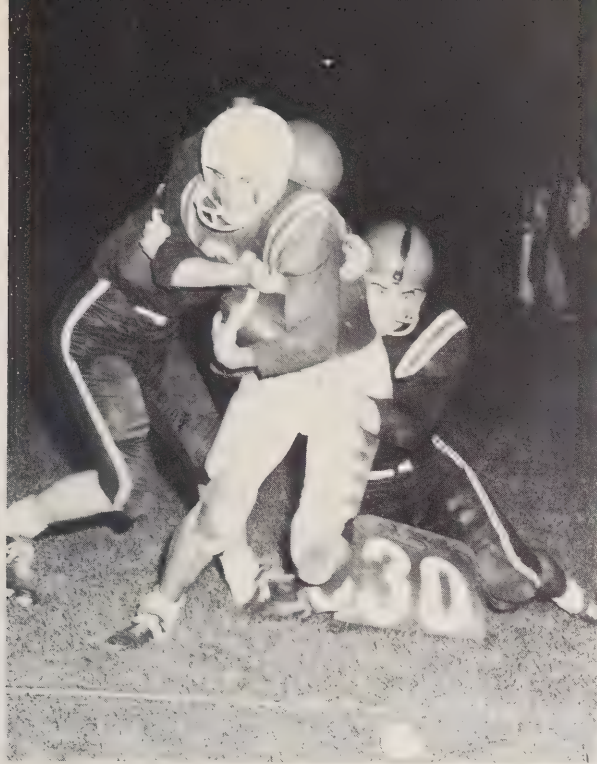

On September 21 the Bears had their first taste of victory, and the victory flag flew proudly over NBHS. Roanoke Rapids made the first touchdown on a fumble by the Bears on a punt return, but they missed the conversion. In the second quarter the Yellow Jackets fumbled a punt return to even out the breaks, and the Bears scored. The educated toe of Roland Verrone made the conversion and won the game.

On September 28 Jacksonville defeated New Bern 14-7. The Cardinals scored in the first and second quarter, but with good blocking from the line, Ashley Smith and William Reel found running room and closed the gap. During the remainder of the game there were no real threats from either side and the Bears' victory flag reluctantly came down.

Tommy Cushman and Ashley Smith make a smashing tackle as another Jones Central player bites the dust.

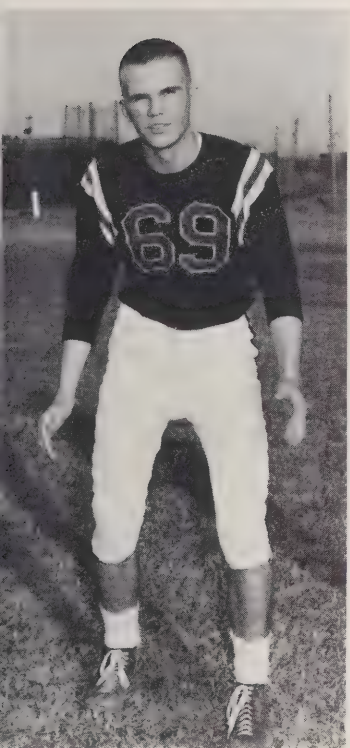

On October 5 the Bears lost to Goldsboro 19-0. The Quakes scored thirteen points in the first quarter. On a wet, foggy field the Bruin Pack was unable to score, but they fought hard and made the Quakes punt five times. The last score by the Quakes came in the third quarter.

On October 12 the victory flag returned to wave over NBHS when the Bears defeated Jones Central 27-7. Faced by a bigger and stronger team, the Rockets put up a good fight. Larry Wallace made the first touchdown, and Verrone made the score 7-0. Smith made the second touchdown that left the half-time score 13-0. The Rockets scored in the third quarter. In the fourth quarter James Conway and Ashley Smith scored to end the game with a 27-7 victory. At half-time representatives of the New Bern Booster Club burned the financial note for the stadium, because the last payment had been made.

On October 19 Homecoming was observed at NBHS. Some of our old school spirit returned for the occasion and was undaunted by a 20-12 loss to Greenville. The fired-up Bears made the first touchdown after Clyde Belangia intercepted a pass. The Phantoms scored and made their conversion, making the score 7-6. At half-time the tense quietness was broken when Miss Sharon Smith was crowned Homecoming Queen. When the teams returned, Greenville scored again, but the Bears took up the offensive and marched down the field to score. Another Greenville touchdown made the final score 20-12.

Ashley Smith, All-Conference, breaks away from two Jones Central Rockets and heads for a touchdown.

Ashley scores again adding more points to New Bern's score.

On October 26 on a 24° field, the Bears lost to Elizabeth City 13-7. The one word for the game was "fumble." The two Jacket touchdowns came in the first quarter. The Bear touchdown came in the third quarter after Simmons Patterson intercepted a pass.

On November 2 the victory flag proudly returned to NBHS for the last time. The Bears spoiled Tarboro's Homecoming with a victory of 27-0. No score was made in the first half, but as the game grew to a close, the Bears began to click. After a 60 yard sustained drive, Ashley Smith scored. Donald Hudson passed to Clyde Belangia to set up a touchdown for Larry Wallace. Jack Crawford recovered a fumble in the end zone for the third touchdown. For the last score Conway intercepted a pass and sprinted over the goal line.

The last game of the season was played in Kinston. The rivalry between the two teams is well known, and emotion played an important part. The Red Devils took the lead in the first quarter and scored again in the second quarter. The Bears closed the gap by seven points when Ashley Smith scored. But the Devils came back to score in the third quarter and again in the fourth, taking the game with a 26-7 score.

So ended another season, the last season for the seniors. This was a season that the Bears can be proud of in many ways: they won the Good Sportsmanship award. They can also be proud of their spirit and determination, the knowledge they gained from their experience, and the knowledge that they did their best. The students of NBHS express their thanks for a job well done.

## successful season.

The Junior Varsity football team of NBHS finished the season with a record of three losses to four wins and one tie. Its first game ended in a 0-0 deadlock with Washington's Pam Pack. Jerry Verone and Jim Ferebee led the Bruin attack.

On Thursday, September 20, the Jayvees were beaten by Roanoke Rapids by a score of 7-6. Roanoke Rapids scored in the first quarter, and our Jayvees scored in the closing minute of the game.

The Baby Bears lost their third game to Jacksonville by a score of 28-14. Jacksonville scored 7 points in the first quarter and 19 points in the second. In the third quarter the Jayvees began to click with 13 points, but the Cardinals scored again and won the game.

The Junior Varsity won its first game by defeating Havelock 33-0. Lawrence Murphy made the first score. Billy Willetts scored next, and Bobby Prescott added a third score before the half. Willetts opened the scoring in the second half. Prescott made the final touchdown.

The Jayvees continued to enjoy the taste of victory by defeating the Greenville Phantoms 19-0 and moved their record to a 2-1-1 standing in the conference.

Victory was still on their side as the Baby Bears thundered over Elizabeth City 20-6. The first score came in the second quarter after a fumble by the Jackets. Jim Ferebee made the other two touchdowns in the third quarter.

Still in the winning column, the Bears defeated Tarboro 41-12. Jim Ferebee and Jerry Horner ran up two touchdowns each. In the third quarter both Bobby Prescott and Stevie Eubanks added to the score. The Tigers with one last effort scored again.

In the final game of the season, the Bears were defeated by the Kinston Red Devils by a 20-0 score. Even though the Bears were not able to score, they fought hard against the Devils.

Many good things can be said about our Junior Varsity team this year. Our congratulations go to the boys and to the coaches, and we all hope for a successful season next year.

The people in the stands, along with the players on the bench, eagerly await the outcome of the next play.

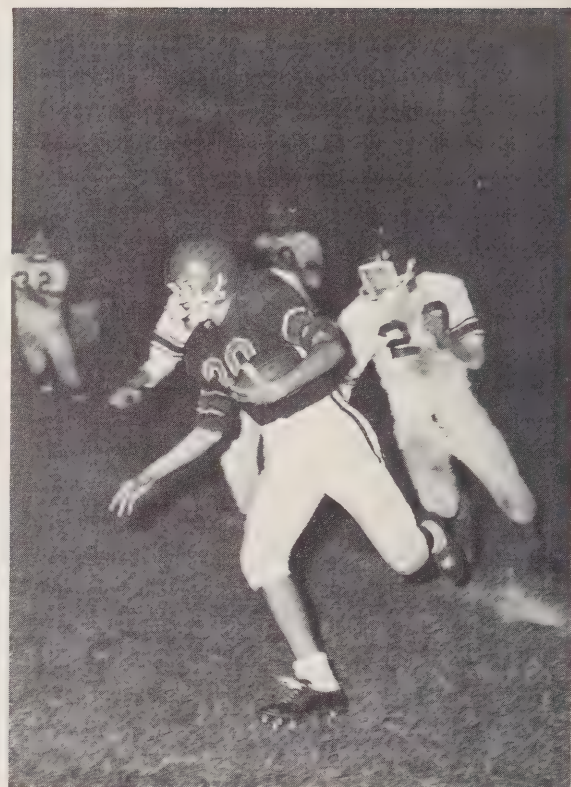

The '62-'63 Junior Varsity cheerleaders are Tony Safford, Helen Heath, Leslie Geiter, Peggy O'Neal, Rosalie Henderson, Cheryl Cobb, Betsy Turner, Anne McCutcheon, Penny Rice, and Dandee Bryan.

# The Varsity basketball team has

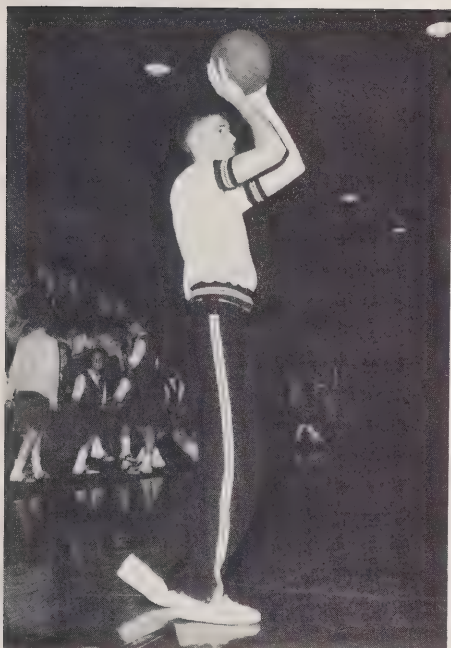

The NBHS Varsity basketball team had a successful 1962-63 season. The team provided many exciting, hard fought games for the fans. The victory flag became a familiar sight on the NBHS campus. The pre-season games brought experience to the Bears. The games were played against Pamlico, Swansboro, Goldsboro, and the Campbell College freshmen team, and the Bears had a 2-4 record.

The regular season began with a victory for the Bears against Jacksonville. With six seconds left in the game, Charles Stovall and Speedy Bunting made the score 62-61.

In various games during the season Speedy Bunting,

David Pugh, Roland Verrone, Charlie Stovall, and Bill Bunting have taken the honors as the high scorer.

The Bears defeated Tarboro 57-46, but they were removed from the winning column by the Greenville Phantoms. The victory flag returned when the Bears defeated the Yellow Jackets 56-50 in an overtime period. The Bears wound up the '63 season with a 7-5 conference record which put them in second place. Congratulations for a good job go to the coach, Mr. Bob Lewis, and the boys on the team.

# The J. V. basketball team displays

The members of the '62-'63 J. V. basketball team are the following: *first row*, L. Gaskins, J. Ferebee, B. Guptill, B. Rice, J. Stuart, J. Verrone, C. Harrison; *second row*, E. Hughes, R. Moser, E. Long, J. Holt, B. Anderson, J. Boykin, and Coach Spencer Gaylord.

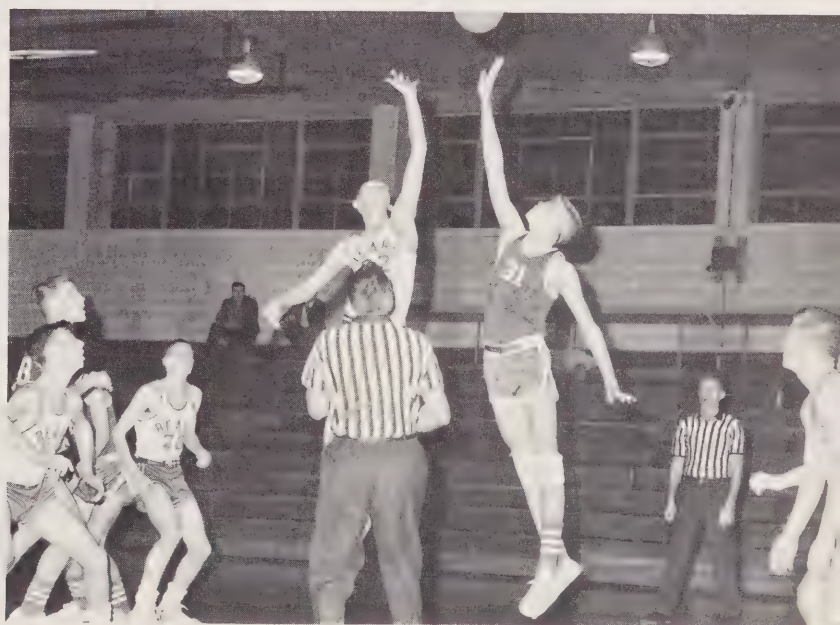

The Junior Varsity basketball team welcomed a new coach, Mr. Spencer Gaylord. In the pre-season games the Jayvees had quite an impressive record — winning four games and losing two.

The high scorers for the Jayvees have been Jerry Verrone, Cecil Harrison, and Harold Edwards.

The Jayvees opened the season with a 65-37 victory against the Jacksonville Cardinals. Again the Jayvees brought victory to NBHS by defeating Tarboro 75-52. For the third win they defeated Greenville 61-50. Their fourth victory was against the Elizabeth City Yellow Jackets. Their first defeat came when Kinston beat them 69-63. The coach and team certainly deserve hearty congratulations for an impressive season.

## The wrestling team provides

Co-captains, Roger Lee and Jeff Jefferay, confer with Coach Bill Kluttz about the coming match.

This season the wrestling team of NBHS was faced with the job of rebuilding. The boys on the team worked hard and practiced long hours for their matches. Although inexperience was against the team, it usually made a good showing. The losses were close, and the individual matches were always exciting. Wrestling requires a great expenditure of energy, and a wrestler must be in top physical condition. Therefore wrestling, although a minor sport at NBHS, is of great importance in our athletic program.

Jeter Taylor, *head baseball coach*, stands between two returning All-Conference players, Charles Turner and Charles Stovall.

The five outfielders are, kneeling, T. Hardison, R. Reel; standing, D. Saltur, D. Bullard, R. Mowry.

The baseball team, coached by Jeter Taylor, brought honor to the sports program of NBHS. Last year the team finished the season with a 12-5 record and in second place position in the conference. This year there were a number of returning lettermen, and the new members were an important part of the team. Also, the team could boast of two All-Conference players, Charles Stovall and Charlie Turner. We congratulate the coach and the boys for a good season that was made possible by hard work and diligent practice.

The team has selected Charles Turner as this year's captain with Radford Reel and Charles Stovall as co-captains.

## The track team adds honor and

The 1963 track team is, *front row*, J. Smith, R. Munns, J. Gleason, G. Bell, B. Aster, R. Linko, E. Paul, A. Smith; *back row*, C. Belangia, S. Foley, J. Speice, M. Flythe, J. Wages, R. Burgess, H. Lilly, D. Jayroe, D. Gaskins.

Richard Linko practices diligently on his form in the discus.

For the past few years the track team under the direction of Coach Pittman has demonstrated a great deal of ability and has brought many honors to NBHS. Last year the team held second position in the conference. For the four preceding years the team held the position of conference champions. This year the team faced the loss of many members. However, there were many outstanding performances. The new members of the team gained valuable experience and showed much promise for the future. We congratulate the team and coach for a fine season and offer our best wishes for the coming year.

After a fine performance last year, John Gleason hopes to better his high jump mark this spring.

Senior Billy Aster is pictured making an extra effort to gain the distance needed in the shot put.

New Bern was represented in the cross-country meet last fall by Jimmy Rowlette, Donald Jayroe, and John Gleason.

George Bell, Mac Flythe, and Eddie Paul work on their form to cut down their time in the hurdles.

# The golf team offers training and experience.

Two newcomers to the golf team, Andy Thompson and Mickey Romanus, practice their iron shots.

The golf team is capably coached by Bob Lewis and is a special feature of our athletic department. It was organized for boys who show an interest and aptitude for golf. Last year the team was fourth in the conference. This year five lettermen returned, and the new members added much experience to the team. The boys certainly deserve our congratulations and good wishes for the future.

# Tennis is a new sport at NBHS.

This year NBHS was proud to have its first tennis team. Tennis is coached by Spencer Gaylord. We offer our congratulations to the team and hope that tennis will become an important part of our athletic program.

Thanks,  
 Enjoyed having you on board  
 and on the tennis team. Wish had  
 this summer and met you last year

# Academics . . .

A book  
... a pencil ... some chalk  
... an eager mind ... a willing teacher  
and knowledge is gained.

A word  
... a gesture ... a demonstration  
... another patient explanation  
and the door to understanding is opened.

A lab experiment ... a paragraph  
neatly written ... a trig test  
... important history dates to be memorized  
and we are prepared for

## English is important

As can be seen from these freshmen, even an English class can be fun.

To make all the buildings and rooms truly a school, teachers are needed. Dedicated men and women that daily give of themselves and their knowledge to enrich the lives of their pupils are the force that binds all the varied parts of a school together. The students of NBHS give this special thanks to our faculty for all the help, understanding, and encouragement they have given us. By this giving, they have made NBHS a place of learning of which we can be proud.

in all walks of life.

As the language of our country and as one of the most prominent languages of the world, English assumes an important part in our education. At NBHS the study of English has a twofold purpose—first, to give to each student the ability to write and speak his own language correctly, and, second, to give a greater knowledge and appreciation of the great literature of the world.

"Now class, THIS is important."

Mr. Lewis explains the proposed court reform to his civics class.

a glimpse of the future.

Today, more than ever, it is necessary to understand the different peoples of the world. To do this we need an adequate knowledge of their histories, cultures, and customs. Foreign languages offer an insight into the characteristics of a people and into the heritage of their country. If one can speak another language, he can more easily understand the problems faced by that people.

It has been said that to look into the future, we must study the past, and a knowledge of the important events of other countries would certainly help us to understand and to cope successfully with the present world situation.

No less important is the history of our own nation. To know about and to appreciate the hardships and sufferings our forefathers endured to found this nation and to give it a democratic government keep the love of freedom in every heart. A study of the workings of our democratic government is another important part of our education in order that we, the future leaders, can deal with the problems we will have to face. All of these subjects, foreign languages, histories, and social studies, give us a background to enable us to make the decisions of the future and to accept our responsibilities as citizens of the leading nation of the world.

As Jay Salem, Buddy Lewis, and Ronnie O'Conner will agree, the best way to look intelligent in physics is to look busy!

We need only to look around us to see the many things that the study and application of science has given us to realize its importance. Our world has become so mechanized and scientific-minded that a basic knowledge is needed by everyone, while advanced study and perhaps years of research are needed if our nation is to continue to progress. The subjects at NBHS give us a knowledge of the basic scientific principles and a foundation upon which we can build a greater understanding in the future.

the challenge of progress.

Girls who take home economics at NBHS gain valuable experience in making a home and receive instruction in child care. In the two years of study that are offered, sewing, cooking, etiquette, decorating, and many other skills are taught. Those who take advantage of this study will certainly be better homemakers.

Miss Fischel shows these home economics girls how to make dresses from their patterns.

At NBHS health and physical education is required for graduation and is usually taken in the freshman year. During the year boys play football, baseball, basketball, and other sports. They also learn the fundamentals of good health. The girls play speedball, basketball, baseball, and tennis. The classes alternate between the study of health and the gym work of physical education.

# Math explains

Students in Mrs. Fowler's Algebra II class are busy doing their "easy" class work.

Today math is important in all walks of life whether the job be clerk, scientist, engineer, or housewife. To be able to perform ordinary calculations is a requisite for everyday life, and to be able to handle complex ones is a must for the growing number of our population engaged in technical fields.

Our number system has enabled us to express the important relationships in our universe, thus contributing to progress. The students of NBHS are offered eight math courses, and it is their responsibility to take advantage of this opportunity in order that they can meet the challenge of the future.

Mr. Prescott checks to see that all his students understand the principles of general math.

our complex universe.

Mr. Smith and Howard Hopkins select solid geometry models for class study.

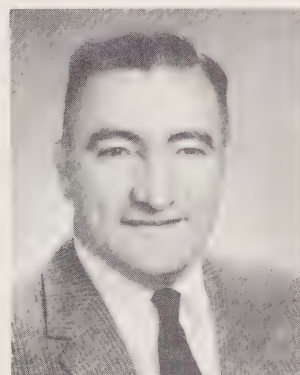

Weekly tests are handed out to eager plane geometry students by Mrs. Bynum.

Business subjects have become an important part of the curriculum at NBHS. Many students take these subjects to prepare for secretarial work and the beginning to a business career.

NBHS is blessed by the presence of an exceptionally good library. Through the efforts of our librarian and her assistants, our library provides a place for quiet study.

Driver's Education has become a very popular course at NBHS, and we're hoping that it will

improve the standards of teen-age driving.

Industrial Arts provides the boys of NBHS with an opportunity to learn a skill that can prove to be valuable as a trade or as a hobby.

Music has always had an important place in the life at NBHS. We can proudly say that we have one of the finest music departments in the state and that almost all of our students are connected with music in some way.

These first year industrial arts students learn the rudiments of skills that can help them throughout their lives.

GRADUATION.

The respect for our emblem is symbolic of our pride and devotion for NBHS.

These are now our memories — memories that only yesterday were reality. These are the events that have molded us. We remember our first assembly — that strange feeling of being lost in a sea of people. We soon found our place at NBHS, and we loved it. Now we leave our place to the rising class—the place that had become so comfortable and secure. We remember our first football game, and the yells that shook the stadium. Now we can return to the stadium only as spectators, not as participants. We remember all the good times that we've had at NBHS, the good times that brought laughs and fun for everyone.

Somehow the bad times when things were rough seem to be sweeter memories — the bad times that were changed to good by work, determination, and faith — the bad times that showed us our true friends and our true selves.

These will always be our fondest memories and in the years ahead will bring a smile and perhaps a tear.

Santa Claus and his reindeer visit us at our Christmas assembly.

The teenagers look forward to the frequent visits by the Mighty Blue Notes.

Studying is a vital part of every student's life.

These boys are actively participating in a required, but enjoyable subject, health and physical education.

At the Faculty-Student game our "cheerleading squad" rests after its first cheer. The girls' game provides rough and tumble playing and confusion! The "boys" go all out to win their game, exhibiting some unknown "stars." The girls coach, Gertrude, tries to assist "her" team.

- TEENAGER OF THE YEAR, 179

Warren,  
you are a real  
sweet guy, so stay as  
you are and you'll go  
far. I wish you the best  
of luck always. Love ya guys

Warren,  
It's been so much fun  
in Latin, hasn't it? Hope  
you're in here next year.  
Be good,  
Rosalie

Warren,  
Keep up the  
good Latin grades!  
Good luck in  
the future.  
Rathy

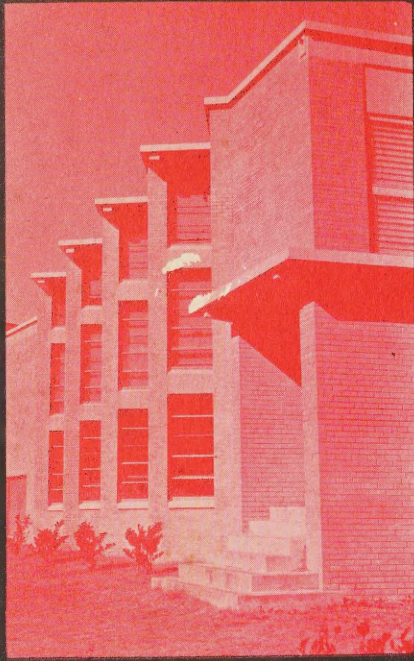

Warren,  
It's been nice  
being in your Algebra I  
class. I want to see you  
way. Mary Mashburn

Warren,  
It's been nice  
knowing you but  
I wish we had  
some classes together.  
Hope you have fun  
this summer.

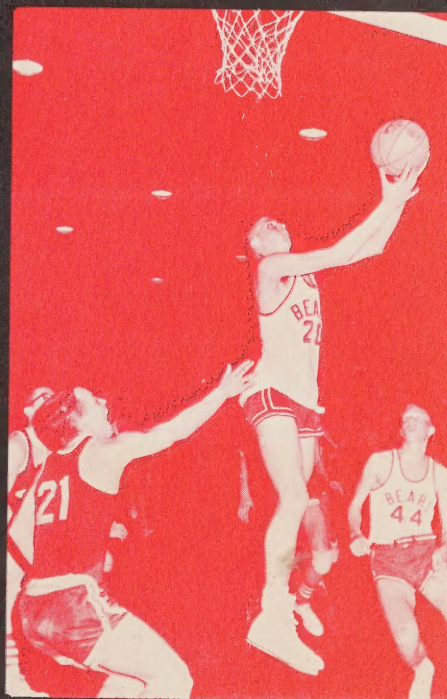

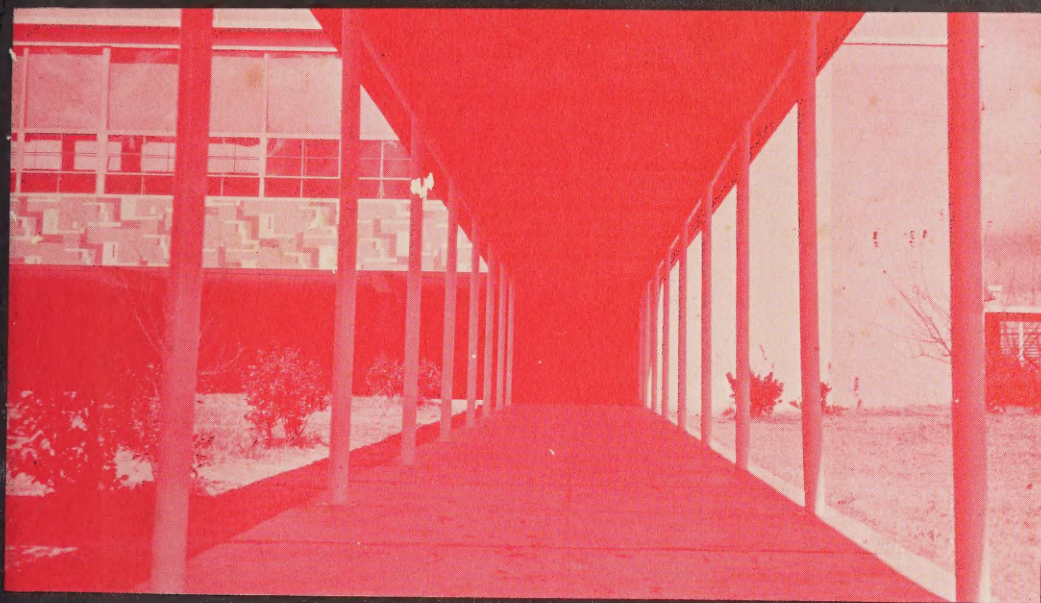

Best wishes  
Bill Clark

To Warren, my friend  
in Latin class, I hope  
you're in my class  
next year. Lots of  
luck. Beth
